IN RE: TEGLOBE BUSINESS SOLUTIONS INC.	DOCKET NO. TCU-00-14 (TCU-96-8)
--	------------------------------------

ORDER APPROVING WITHDRAWAL

(Issued March 21, 2001)

On September 20, 1996, the Utilities Board (Board) issued an order approving the application of Dial & Save of Iowa, Inc., d/b/a Dial & Save (D&S), to provide local exchange service in Iowa. The application was identified as Docket No. TCU-96-8. On May 19, 2000, the Board issued an order granting a name change for D&S to Teleglobe Business Solutions Inc. (Teleglobe). The name change was identified as Docket No. TCU-00-14. Teleglobe stated that it understood it was required to file proposed tariffs before it would be granted a certificate to provide local exchange service.

On March 9, 2001, Teleglobe filed a request to withdraw its application. Teleglobe stated that it understood that if it wishes to provide local exchange service in Iowa, it will have to file another application.

The Board finds that the withdrawal of the application is reasonable. The application filed by D&S was approved over four years ago and proposed tariffs have not been filed to complete the process. If proposed tariffs were filed after this

passage of time, additional information about the company would have to be obtained. It is preferable that the company withdraw the application and reapply when it is prepared to complete the process and obtain a certificate to provide local exchange service.

IT IS THEREFORE ORDERED:

The request to withdraw the application to provide local exchange service in Iowa, filed by Teleglobe Business Solutions Inc. on March 9, 2001, is approved.
